PHRMO

Provincial Capitol Bldg., Vigan City, Ilocos Sur

DEAR MA'AM PINEDA,

I'm Ricky Jay V. Licos, a bachelor's degree in information technology from the University of Northern Philippines (UNP), Tamag, Vigan City, Ilocos Sur. I am writing to express my continued interest in contributing to Ilocos Sur Community College, specifically in the role of Administrative Officer III (Supply Officer II) with salary grade 14.

I previously served as Project Development Officer I in the Land Resource Data Analysis Division of NAMRIA, where I contributed to data-driven initiatives on land cover mapping. My responsibility includes in supporting for the preparation of maps from preliminary drafts to final outputs, conducting field surveys, and ensuring data accuracy thru thorough validation and assessment. And I also assisted in data analysis, editing and provided technical support to senior staff in the completion of assigned tasks.

In addition to my professional experience, I bring hands-on skills in:

- Programming: HTML, CSS, JavaScript, PHP
- Database Management: MySQL
- Office Tools: Microsoft Word, Excel
- Graphic Design: Canva
- ArcGis Pro

During my studies, I developed a Library Management System for Ilocos Sur National High School and completed an internship at CSA: Business Consultancy, where I built static websites for various organizations including Gio's Ilocano Blend, Sanvaste Hydroponics Farm, and D'Outbase Lodging House & Resort. I continue to refine my skills through independent practice and project work.

Achievements:

- Certificate of Completion for 500 hours of On-the-Job Training
- Honorable Mention for Diligence in Studies
- Plaque of Recognition from the Pambayang Pederasyon ng Sangguniang Kabataan, LGU of Caoayan, Ilocos Sur

Sincerely Yours,

RICKY JAY V. LICOS
